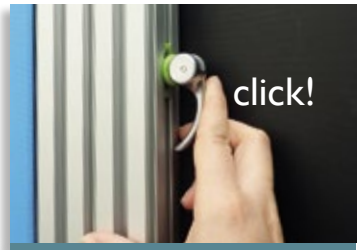
branded exhibit and event solutions

The reference of modular exhibits

MADE IN NORTH AMERICA

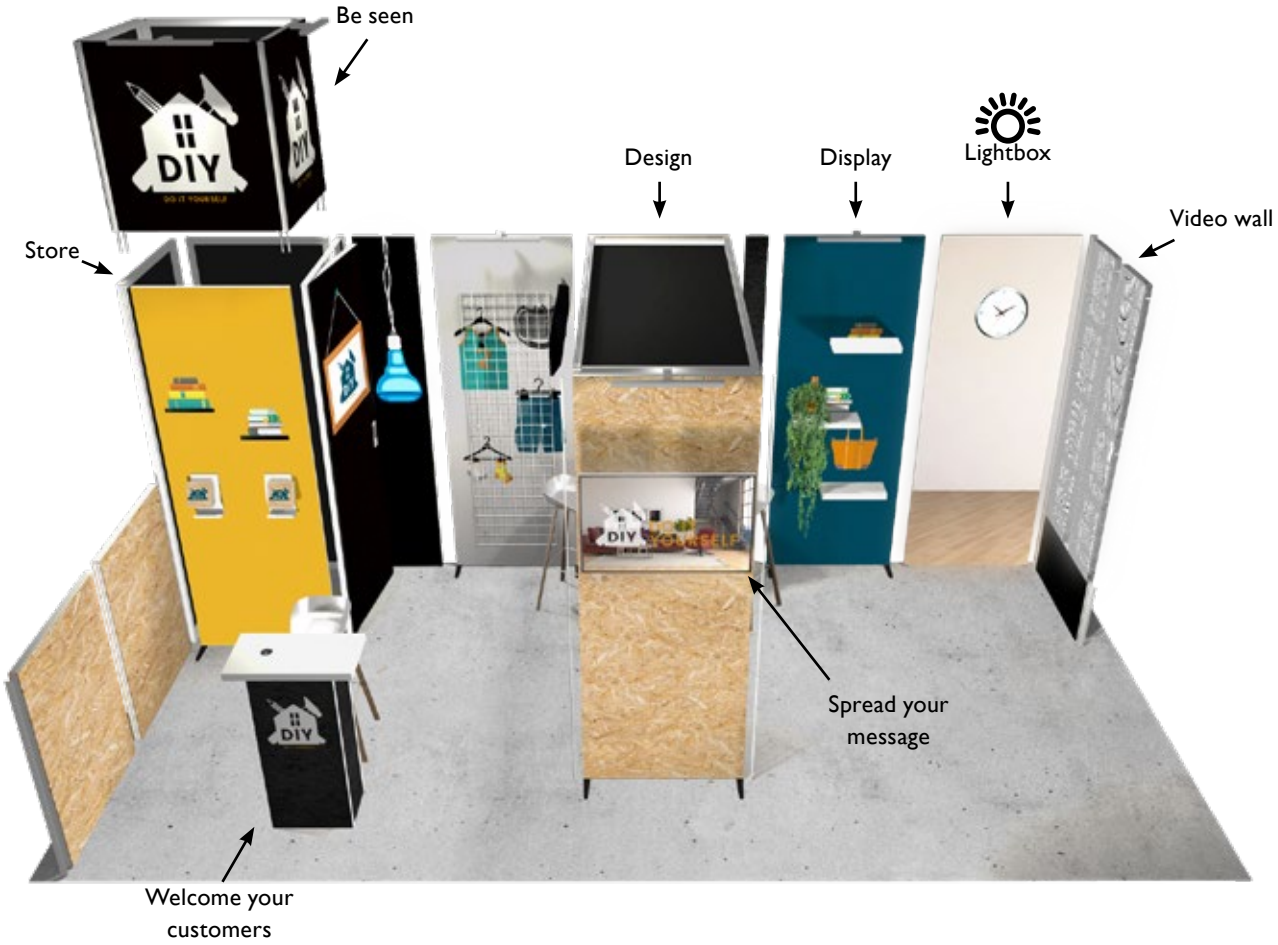


quick panel connector for easy set-up

New: integrate LED video walls

details are a priority

transport crate



- Create a customized exhibit using pre-assembled modules that offer a wide range of functionalities
- The visual impact of h-line is created through large format, high-definition fabric graphics. The connections between the panels are invisible
- Panoramic h-line is compatible with panoLED: innovate and bring your exhibit to life with panoLED video walls
- Set-up time for an 10'x 20' exhibit is less than an hour

100% modular: 13 modules, 4 shows, 4 con gurations, 4 locations

Reconfigure your h-line exhibit to suit your event, using the same pack of modules each time

10´x10´
Montréal

10´x10´
